REQUEST FOR RECONSIDERATION OF PATENT TERM ADJUSTMENT
UNDER 37 C.F.R. § 1.705(b)

Mail Stop Petition
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir/Madam:

According to the Patent Office's patent application information retrieval system, the period of Applicants' delay for the above-referenced allowed patent application is 71 days.

Applicants submit that the period of Applicants' delay is 0 days because Applicants have not delayed prosecution. Specifically, the Patent Office indicates that the delay stems from Applicants' filing a supplemental amendment on July 15, 2004. Applicants filed a response to the April 27, 2004 restriction requirement on May 5, 2004 (*i.e.*, within the 1-month period set up by the Patent Office). In a July 15, 2004 phone call, the Examiner imposed a further restriction requirement. Applicants filed this supplemental amendment on the same day in response to the further restriction requirement. Thus, this supplemental amendment does not constitute a delay.

Applicants request that the Patent Office correct its records to reflect the lack of Applicants' delay. While such a correction will not change the current patent term adjustment (*i.e.*, 0 days), it will allow Applicants to seek patent term adjustment under 37 C.F.R. §1.705(d) if the Patent Office issues a patent more than four months after the issue fee is paid.

10/25/2004 NNGUYEN2 00000092 10657034

01 FC:1455

200.00 DP

U.S. Patent Application No. 10/657,034
Request for Reconsideration of Patent Term Adjustment under 37 C.F.R. §1.705(b)
October 21, 2004

Applicants state that the patent to issue from this application will not be subject to a terminal disclaimer.

Applicants have enclosed a check for \$200.00 fee as set forth in 37 C.F.R. §1.18(e) (but request that this fee be refunded when this petition is granted). Applicants believe that they do not owe any other fee in connection with this request. If, however, Applicants do owe a fee, the Commissioner is hereby authorized to charge the deficiency or overpayment to Deposit Account No. **08-0750**. In addition, if there is ever any fee deficiency or overpayment in connection with this patent, the Commissioner is hereby authorized to charge such deficiency or overpayment to Deposit Account No. **08-0750**.

Respectfully submitted,

Lydia N. Nenow, PTO Reg. No. 52,530
